

WiZARD 210 & 220

Nasal Mask & Full Face Mask

Providing a comfortable fit is crucial for patient compliance, but it doesn't need to be complicated. The simple and effective design of WiZARD 210 & 220 allows the user to enjoy a relaxed night's sleep and encourages compliance to prescribed therapy. Its lightweight, soft cushion and ergonomic forehead pad allows for any pressure to be distributed evenly, improving the quality of therapy and providing maximum stability and comfort.

Better Mask, Better Experience

The simple but effective design of the WiZARD 210 & 220 brings users an easy good night's sleep. Its high quality silicon cushion and forehead pad provide a soft and smooth feel. To fit a wide range of facial contours, The WiZARD 210 is available in four comfortable sizes: XS, S, M and L; and the WiZARD 220 has six sizes: S, SW, M, MW, L, and LW (W type for wider nasal bridges). The WiZARD 210 & 220 features a lightweight and contoured design that ensures great comfort and an excellent seal, offering users a better experience for sleep therapy.
